

MSK Physio Block

Contract Value: Within an overall contract worth £16 Million
Contract duration: 10 months on site and part of a 3 year overall contract
AKDP Appointment: Sub Contractor – Architectural Services

A new Physio block/ward was created following a ward move around which saw the existing female Mental Health Ward move into the newly Built Blossom Court building adjacent on site. This allowed a newly design Physio Ward to be created to the latest standards within Phase 1 of the redevelopment works at St Ann's Hospital.
